

Loading Dock & Deliveries

Loading Dock & Deliveries

ICC Sydney has three separate loading dock areas servicing ten docks in total. It is a requirement that all deliveries/pick-ups have a vehicle time slot booking in advance of arrival. Vehicles may not be accepted into the docks if no booking is made. To make a booking, please complete the [Loading Dock Booking Form](#).

Events, Exhibitions and Meetings - If you are delivering or picking up in relation to a specific event, exhibition or meeting you are required to schedule your vehicle time slot in advance.

ICC Sydney General Deliveries, Suppliers and Services - If you are delivering, supplying to or servicing at the request of ICC Sydney or Spotless Facilities Management, you are required to schedule your vehicle time slot in advance.

For further assistance - See below for further information and resources for event organisers, exhibitors and ICC Sydney suppliers. For additional support, please contact ICC Sydney at the details below.
