OVERVIEW

The 34th Congress of the International Academy of Pathology (IAP 2022 World Congress) brought together over 1,600 in person and virtual delegates to ICC Sydney to discuss the leading scientific developments in pathology. Over five days, young trainees, seasoned professionals and world experts in all specialties of pathology were able to discover Sydney while learning and collaborating with a diverse group of like-minded individuals in one of the largest exchanges of educational advancements in the world.

Facilitating knowledge exchange

ICC Sydney hosted 267 speakers over 109 conference lectures, symposiums and sessions across its Convention Centre. Twenty four exhibitors were hosted in The Gallery while educational lectures and sessions took place within Parkside Ballroom and various meeting rooms. ICC Sydney provided the perfect environment for industry professionals of all experiences and backgrounds to innovate, exchange ideas and form lifelong connections.

Audio Visual and ICT services

The Australasian Division of the International Academy of Pathology worked with ICC Sydney's Audio Visual and ICT teams to deliver a successful virtual and in person event. Participants from around the globe were able to tune into the IAP 2022 Congress for the first two days of the event which were 100% virtual, IAP utilising the venue's on site speaker preparation to reach their virtual delegation.
